*I'm into wearing nice undies that feel soft and silky against my body. Especially since I've got a tightly coiffed pussy. So the panties have to be silk. So when I tell my man that I'm going to slip into something more comfortable, what I really mean is that I'm taking it all off just for him or her.*

# She always gets what she wants

*This is the true story about the very first time my roomie sucked me off. The first time, implying that she's done it many many times since, as well as with her pussy and ass, and all that good stuff, because as it happens, as the universe has blessed upon me because I must have been a saint in a past life.*

My hot Panamanian roomie is the type of girl who loves to get stuffed full in every hole, and simultaneously. And she's not very shy around girls either, but that's usually a tequila effect kind of situation and she doesn't do it without a dick involved, to my knowledge anyway. Man, you wouldn't believe it, it's unbelievably sexy and my sex life is awesome. But the very first time we started our fuck buddy relationship is a great story because my roomie is also one of the dumb fuck craziest people on the planet and basically uncontrollable.

She does what she wants, when she wants and she never gets told no because she's an all-American cutie as cherry pie and her ass looks like too fluffy bowling balls mashed together. So what started on a regular February night about four years ago. A school night for my roomie. She was going to school at a state college in the next town over and she had class the next day. She might even have some big assignment to finish. I'm not sure, she barely talks about that stuff.

But she does well enough so my parents leave her to be the maniac pixie she is. I was 21 and back from college over a year, gloriously wasting my life away as an assistant baseball coach at a local high school with nothing to do till March, and I was hanging out in my room smoking weed and listening

to zap while constructing a really huge puzzle. Because that's how cool I was – and totally still am. I don't remember what the puzzle was, but she always seemed to know when I was getting baked in my room and she always wanted to join in. We were always really close, closer to each other even in age. Of course, I had given thought to how it would feel slamming into her from behind, everyone in the neighborhood had, but something about the utter impossibility of my roomie letting me fuck her put me off it for some reason. My inner pragmatic pervert I suppose.

Anyway that night, while often before I had begrudgingly packed her a bowl because she's the fairy princess and she

\*Domestic U.S.A. only.

gets what she wants, that night I resolutely referred her request. It was a tough week financially, some side jobs weren't working out and I was watching my checking account plummet. So I told her to bring in some of hers and we could smoke together.

"I don't have any," she said. "I'm out and broke too." And she gave me the adorable 'pouty no man can resist me' puppy dog face.

But I had played this game before and I had become desensitized to her sickeningly adorable charms. Mostly they were kind of insulting to me by that point, like at some point I come around and fall for it again like one of her chump boyfriends. "Sorry Sam," Her name is Samantha, "this has two last me." It's tough times for old Tim. That's my name. I'm Tim. And I got to smoke this batch slow cause I gotta laugh a while I think.

Come on. With her gorgeous deadpan look. Dude... come on. Dude... come on... if I recall, at that time she was still made up from the day. Sexy wintertime babe. Sam takes a lot of pride in her looks and for good reason, it got her lots of free shit and stellar treatment.

"You come on Sam." I told her "You can't just let some dude to get it for you. I gotta work a little bit harder for mine." I grabbed the bag and said something like these are my remaining assets. I was in a bad way. And also I was pretty high for this experience, which I'd imagine is becoming obvious. So was Sam. This story is basically what Sam and I have cobbled together reminiscing since then.

Anyway, she offered to pay me later and I still declined till she sat back and started to look moody. She starts to enter whirlwind territory. If that gets out of hand so I tried to reel her back in with a dash of hope.

"Retribution." I told her leaning back on the couch with her. Our heads were touching.

"What?" She said.

"Supply and demand. woman," I said. "I need to be offered suitable retribution for any high-value. What are you prepared to offer?"

"A foot rub?" She offered.

"Nope." I replied.

"Uh, I'll clean up after you for the next week." She said.

"No you won't." I said. I knew she wouldn't.

"No I won't." She said and she knew it.

"Fine then, how about I give you a blow job? Will that do it?" She asked.

And in that moment, I truly thought that I'd had just suffered a stroke.

"Am I smiling?" I turned and asked my beautiful unaffected roomie.

She laughed, "No."

I smiled. "Yes now."

She laughed again, "No, you heard right. I'll blow you real good Tim if you pack me a bowl. I'll swallow and everything... come on."

To this day, it's still hard to believe that it happened like that, right out of the clear blue. And even that it happened to me! I mean, I knew she blew lots of guys, she's a hottie and kind of a slut and I love her, but I once asked her if she ever

thought about starting up anything with Larry, our other roommate, and she told me no because she wasn't attracted to him. Only to me.

Sensing my stalwart barrier beginning to break down, she cleverly leapt to her opportunity and pulled me back on the couch as she sat up. "Hey buddy," she said. (One of her many names for me.) She was pursing her pink lips and batting her exotic, bedazzled blue green eyes at me.

"I want what you've got and you want what I've got. I know you do. It's okay, I work hard at this..." waving her hand in front of my face and her lovely little boobs, "and I know I'm good at it. And I know that I'm good at a lot of things Tim." There was a pause, for effect, whereupon Sam shot me a sappy hopeful look... before switching back to nonplussed, "and I

really want to get stoned tonight.”

“I...I’m... this is a real.” I sputtered, still refusing to accept this is actually happening.

“Oh I’ll show you.” She whispered.

And with that, she slid down between my legs and she masterfully unbuckled my belt and pulled the top of my pants apart and down in record time – and fished out my quickly swelling cock. And I just sat back and silently watched and let it happen. When a 10 out of 10 pulls your dick out of your pants with the intent to mouthify it for a long period of time, everything in the world that was ever important goes away and your brain just focuses on hitting the record button on

my roomie’s mouth though, I thought to myself.

Sammy was a pro, and knew instinctively how to play with my balls with her free hand and she ventured down there with her mouth and tongue for several glorious minutes, which I certainly didn’t expect. Girls don’t always go for the balls, which makes me and my balls sad. But Sam’s all about the balls. She loves to suck both into her mouth at once, like she’s proving that she can. I feel like that’s what her face is telling me when she does. But she also knows that I love it when she drags her tongue along the edge between them from the bottom to top so she does that a lot to. She is seriously one generous cocksucker, especially for the way she looks. That’s just love for the game.

She dragged her tongue up and down my shaft and made it glistening wet with her spit and saliva. She ran her lips down the sides of my shaft on all sides, giving it kisses and sucking on it, especially when she was near the head. But she always came back to stroking the top with her sexy pursed lips and pink tongue while yanking me with the twist of her hand. She knew the twist, guys. Way ahead of her time.

Eventually, I readjusted my understanding of reality and Sammy must have seen that in my face cause she started talking to me again in between popping my dick in an out of her mouth; “You

your memory recall – or freeing up as much space on the hard drive as possible. Believe me, no matter how chaste you are, you would not have blamed me a tiny bit for letting my gorgeous little roomie pull down my boxer briefs and pull out my confused but excited chubby. I watched, unable to move or think as she opened her mouth and slid her sexy glossy pink lips down the lane of my shaft and back up again, never once breaking eye contact.

“Well, it’s happened.” She said “you want me to stop?”

I was in complete shock. I either shook my head slightly, or she just took my silence as a no, because she laughed to herself and flipped her hair over her shoulder, grasping my hard dick in her right hand and lowered her time and lips over my swollen cockhead again. That time though she stayed down and slowly worked her head up and down while her hand worked my shaft. I guess I should tell you I have a decent sized cock. It’s big but not humongous, but I’ve never had any complaints. Seven full inches – and girthy. It looks awfully good in

gonna smoke me out buddy? Are we going to get high as a fucking kite tonight?” And flashed back adorable smile at me then slapped my cock on it.

I smiled back at her. “No. Not if I don’t cum kiddo.”

She laughed, challenge accepted. Then she went to work double time. Faster in deeper she started swallowing my rock hard thick man meat, getting it in deeper than I ever expected and barely gagging on it. She had most of it in her mouth for long periods of time. The slurping and gasping for breath work actually pretty loud I thought. I was right on the brink of exploding when at that moment I completely lost all of my moral faculties and became an absolute sex slave to all of my roomies’s crazy wants and desires as I shot stream after stream of hot sticky cum onto her mouth.

She swallowed, smiled at me and laughed and then licked the rest of the mess. She plopped back on the couch with me. And then we got stupid and listened to rock all night; and she helped me finish my puzzle.

## THE WEATHER OUTSIDE IS FRIGHTFUL...

This was a very hard winter. The middle of March saw some of the worst winter weather Chicago had seen in many, many years. Howling winds, cold every day, and piles and piles of snow. Businesses were shut down, schools were closed, and all the movie theaters were closed, too. With nothing open, we had to stay at home a lot and find different ways to amuse ourselves.

My man and I were sitting in the kitchen having a wonderful breakfast that Sunday morning. We had a quite a Saturday night. Sitting by the fire, we played board games and made love all night but there is still something missing. After only two years we seemed to have lost some spice in our love life. Please understand Lorenzo's a great lover, got the sexual stamina of a bull, a body to die for, broad shoulders, muscular thighs, and a nice ass that you can sink your teeth into. And last, but definitely not least, is his perfectly large-enough cock. It looks like a great

cock should. And it fits perfectly into my mouth and pussy.

Making the breakfast, I was standing by the stove scrambling some eggs and popping some bread into the toaster. I felt him come up behind me as he wrapped his arms around me. He grabbed my hips and began to gyrate his hips with mine. I felt every my body tingle with anticipation of what could be coming next. As he rubs against me, I can just feel that wonderful cock get hard as it nestles between my ass cheeks. Now I was starting to sweat, boobs tingling, nipples hardening and poking into my shirt while my pussy gets puffy and starts to moisten.

I feel his head come closer to mine. Lorenzo nips my earlobes, darting his tongue in for a quick lick while his hand starts to glide up my waist cupping my heaving breasts. He kneaded my breast without touching my nipples. They were screaming for his attention. I turned off the stove and slowly turned around, his chest squeezed my breasts in succulent pain. I licked his lips begging him to kiss me and when he did he sucked my tongue. Our hands went everywhere, grabbing anything we can of each other's body.

I was almost too much to take as I felt pressure building up. My juices dribbled down the sides of my thighs. I rubbed them together as if willing them to stay put. I then spread my legs over his hips as he lifted me up on the counter top. Even the coldness of the tiles didn't put a dent on the raging heat flowing through my hot Colombian blood. He pulled me forward and thrust his hips banging his hard cock through his jeans to my pussy soaked panty. He

gyrated his hips grinding it into my pussy. We were both enjoying ourselves when the doorbell rang. We both groaned and stopped. I rearranged my clothes as best I could and he went back to his coffee. I grabbed my cup and slipped into my flats to go answer the door.

Standing there, looking like an Eskimo was my girlfriend Carmen. "Get out of the snow." I said grabbing her arm and pulling her inside. "How did you get here?" I asked. "I walked the three blocks honey, and it took almost half an hour. I was so bored. I haven't done anything exciting for days 'cause of the snow." she said.

She took off her heavy parka and hung it on a hook in the entry way. She shook her hair loose and her breasts strained against her blouse as she shook. She's a very pretty Mexican from Dallas, with a great personality. As we walked to the kitchen I could feel my juices dribbling down my thigh making it slippery as I moved. Lorenzo and Carmen said their hellos. I noticed him checking her out. A wicked thought formed in my mind. We were casually having a conversation when I whispered to Carmen, "Hey girl wanna do something exciting today?" She looked me straight in the eyes and said "I was so bored, I'll do anything, but first I need some hot coffee."

Lorenzo poured her a cup to which she added some sugar. As she was stirring I whispered into her ear and began to make out with her as he watched. I thrust my thigh up in between her thighs. Then I kissed her while I looked Lorenzo straight in the eye. He was there staring wide eyed at us wondering what was happening. He stood up and tried to join us but I had other things in mind. I ordered him to sit back down or I'd send Carmen home. Immediately he put his ass back in the chair. I turned Carmen around to face him while I went behind her back. I slowly stripped her clothes off for his

pleasure. As I opened her blouse Lorenzo opened his zipper and took out his hard cock and played with it while he watched. I heard Carmen suck in some air, arousing her even more. Her nipples poked through her lacy bra and I grabbed each of them with my hands and jiggled them right at him.

Letting go, I moved my hands down her chest and into her pants. I began to stroke her as he watched. Watching him watching me do things to her is making me so damn hot. My pussy was soaking my panty like never before. As I stroked her, she undulated her hips teasing Lorenzo since he can't see anything except my hand moving under the fabric. I pulled my hands out and pushed her forward towards him. I slowly slid her pants and panties down exposing her clean shaven pussy that was glistening with her juice. I took off everything she wore. Now she is standing there naked, aroused, panting for more. I left her standing there and went back to him whispering in his ear telling him he was not to do anything until I told him to do it.

I went the few feet back to her and

asked if she was ready for him. She nodded 'yes' and looked down at his crotch. It had a wet stain and large bulge. Carmen went over and knelt in front of Lorenzo and stripped him of his pants. With that done she then gripped his hard cock at the base and gave it a good licking, making him moan with pleasure. I could see his cock bounce in her hand in reaction to her tongue. I slid my hand down his chest while we kissed. I held his cock as she sucked it. I felt Lorenzo about to cum so I told her to stop.

He looked at me with big doe eyes at my ruthless commands. I told her to straddle his hips and fuck him until he cums. She did just that. I grab his rock hard cock and guide it into her sexpot. She lowered herself on it and begins to bounce on his stiff cock while I hold his cock at the base stroking him at the same time. I lean in and kiss her beautiful breasts while I stroke her clit with my other hand. We're moaning and groaning in the kitchen as Lorenzo fucks her harder and faster and deeper. I told him not to cum yet and pulled her off his cock amid some purring protests.

I turned her toward a chair and bent her over so that Lorenzo could watch us in profile. I rubbed her ass cheeks, amazed at how tight and round they were, reaching between her legs I felt her sloppy wet pussy as her juices ran onto my hand. I used her juice on my finger to poke at her cute little back door, she squirmed as I pushed it in. I motioned him to stand up and come over as was playing with that tight ass. I motioned him to get behind me and grabbed his cock and rubbed it on my vaginal lips. He pushed his cock head into me and I got very excited as he went deeper into my pussy. He started fucking me harder, forcing himself deep into my pussy. This got me excited so I just shoved my fingers all the way into Carmen's asshole and started fucking her like a jackhammer.

I reached back and grabbed his cock and took my fingers out her anus. I turned her around and pulled him towards her, pulling him down to her face so she could lick and suck his balls. I leaned forward putting my mouth around his throbbing shaft. This made her suck his balls harder as I reached behind him and jammed a finger in his ass. It hurt him at first, but massaged his prostate and he shot his hot load into Carmen's mouth and she swallowed every drop of his cum.

When Lorenzo pulled out of her mouth, I just had to taste his cum; I bent over and started by licking the juice drops on her lips. This got her very excited and Lorenzo rubbed his cum soaked cock on her pussy and around my mouth. We dismissed him since he was spent and took turns eating each other out until each one of us girls came. Then I asked him to clean up the kitchen and took Carmen hand and we retreated upstairs to the bedroom. The relentless snowfall got heavier and heavier that day. Fortunately, Carmen couldn't get home, but I think we made her happy enough to stay until it stopped.

*I got a call several days before my shoot from the director. "Hey, you'll be working with Kris this weekend, and I know you two have worked together before. He told me that you loved the way he fucked your pussy. And you couldn't wait to work with him again. This is your chance." "Okay, bye." I was looking forward to it, too.*
